**Taos Soil & Water Conservation District
FY 2025/26 Conservation Seedling Program Guidelines**

- Planting stock is made available from New Mexico State Forestry’s Conservation Seedling Program. **Purchased seedlings will be made available for pickup starting March 30th, 2026 during Taos SWCD business hours (Mon-Fri, 8am to 4:30pm). All trees must be picked up by Friday April 3rd, 2026.**
- Seedlings are provided in **multispecies bundles of ten trees** shown below, with similar watering requirements and preferred habitat. Landowners can purchase up to **5 BUNDLES MAXIMUM**. Bundles are **\$10.00 each**.
- Most trees come in plastic containers (10 cu inches), but some are bare root (as indicated below). Species descriptions are provided on the following page. Planting instructions will be provided upon tree pickup.
- Tree stock is limited and bundles are allocated in the order in which applications are received. Due to demand and limited quantities of particular species, Taos SWCD will substitute bundles ordered within each category (eg, someone requesting a Wildlife Mix 1 bundle, if sold out, will be given a Wildlife Mix 2 bundle instead).
